BACHELOR OF
TECHNOLOGY
MANAGEMENT
(HONOURS)

OVERVIEW

Bachelor of Technology Management (Hons) is a three (3) years and six (6) months programme that focuses on the application of management skills and proper use of technology to generate wealth, especially in Malaysia. This programme is offered to fulfil both the present and future industry needs as follows:

- Efficient management of industry which requires managers that have the knowledge and skills in technology management.
- This programme will address the shortage of middle managers which are in demand by industry.

FLEXIBLE LEARNING

Offering flexibility to cater to your schedule, so that you can pursue additional knowledge without interfering with your work schedule.

UniKL offers the flexibility to cater to your work schedule and provide you with the opportunity to enhance your skills whilst not compromising your work time. This workaround learning schedule is the main reason many professionals choose to enter UniKL's FlexiLearn programmes. Selected Professional Certificates can be embedded into the programmes as well. Furthermore, prior academic qualifications and working experience may be taken into consideration for syllabus exemptions.

APEL
Accreditation of Prior Experiential Learning

APEL (Accreditation of Prior Experiential Learning) is a systematic process which involves the IDENTIFICATION, DOCUMENTATION, and ASSESSMENT of prior experience related to a study programme.

APEL is a systematic process that involves the identification, documentation and assessment of prior experiential learning, i.e. knowledge, skills and attitudes, to determine the extent to which an individual has achieved the desired learning outcomes, for access to a programme of study and/or award of credits.
