## UniKL at a Glance

Universiti Kuala Lumpur is Malaysia's leading government linked university of engineering technology which aims to produce global enterprising professionals by providing a world class technical education and an enriching university experience. Since its inception on 20th August 2002, it has seen a rapid expansion to be one of the universities of choice in Malaysia spearheading the generation of knowledge in higher technical, vocational education and training (HTVET).

With the concept of "One Institute, One Specialization", UniKL at present has 12 campuses strategically located all over Peninsular Malaysia, with its Chancellery situated in the heart of Kuala Lumpur. These 12 campuses are equipped with state-of-the-art facilities, emphasizing on applied and experiential learning, reinforced by innovative research and global linkages with industries. Currently, UniKL offers over 150 programmes from Foundation to Doctoral level.
