** RM1000 / certification - Student will take one of the exam (according to majoring). The fee is excluded in the tuition fees.*

ENTRY REQUIREMENT

Bachelor's degree in Electrical and Electronics Engineering or Engineering Technology or Computer Science with minimum CGPA of 2.75;

OR

Bachelor's degree Electrical and Electronics Engineering or Engineering Technology or Computer Science with CGPA of below 2.75 with internal assessment;

OR

Bachelor's degree with a minimum five years working experience in related field and other professional;

(For International Students Only)

IELTS 5.0 or TOEFL 500 or Equivalent;

and

Pass a special course conducted by the English Language Centre UniKL.

PROGRAMME STRUCTURE

SEMESTER 1

Advanced Computer Science
Algorithm Complexity Analysis
Innovation Technology and Entrepreneurship

SEMESTER 2

Research Methodology
Software Requirement and Design
Software Quality and Testing
Mobile Computing
Advanced Networking

SEMESTER 3

Dissertation
